Reception Class Arrangements

Dear Parents/Carers,

As you can imagine, trying to arrange systems which meet all the guidance and protocols is a very difficult process. From yesterday the new systems for dropping off and collecting were in place and I want to thank you all for your patience while we try to get things right. I have received some feedback which I really welcome as sometimes it is only when we have tried something that we can see any issues which arise.

There has been some confusion over the start and finish times for the Reception children. I can totally understand the confusion as there have been so many different arrangements and times coming out. I am very confused by it all myself!! Anyway, just to clarify, these are the times for the Reception children for the rest of this week, and also from next Monday when the children are in school for the full day. Hopefully, this will explain everything but don't hesitate to give us a call if you need any further information.

Arrangements for this week:

Children attending the morning session: Start at 9.10am Finish at 11.30am

Children attending the afternoon session: Start at 12.30pm Finish at 2.50pm

Arrangements from next week (Monday 14th September):

All children start at 9.10am

All children finish at 2.50pm

Please bear with us! We are trying to manage a very difficult situation. Most systems are working well thanks to everyone's cooperation. I know that once we have managed to get through the next two weeks, things will be much more established. Thank you again for your patience!!

Many thanks,

Tristan Hughes
